

Appl. No. 09/741,960

REMARKS

The Office communication dated April 16, 2004 states that the Reply filed on December 22, 2003 is not fully responsive to the prior Office Action because the format of the Reply is improper.

A telephone interview was conducted with the Examiner on May 17, 2004. The Examiner clarified that the Reply filed on December 22, 2003 was entered into the record but was not complete due to confusion over the pending claims. The Examiner stated that submission of a Reply with a clean set of all claims would satisfy the Office communication.

In response to the Examiner's request, Applicants submit herewith a listing of claims that replaces all prior versions, and listings, of claims in the present application. Claims 1-35 are labeled as "canceled," and claims 36-49 are labeled as "new." Support for the claims is as stated on pages 8-10 of the Reply filed on December 22, 2003.

No new matter is inserted into the application. The Examiner is respectfully requested to enter and consider the new claims in the application.
